PRINCIPAL'S NEWS

Congratulations to all students who completed the Premier's Reading Challenge! Well done—this is a great achievement!

I would like to take this opportunity to remind parents that the current push by advertising companies to promote Halloween may be encouraging families to support their children to participate in 'trick or treating' on October 31st.

Please consider the following

- Do all members of your local community engage in Halloween activities?
- Can you guarantee all home owners will give a positive response if met at the door by 'trick or treat'?
- Will drivers on the road be watching carefully for children who might be out and about?
- Does the act of accepting 'treats' from strangers contradict any other safety messages you teach your children?

If you are intending to allow your children to engage in 'trick or treating' the following safety tips are strongly advised by professionals

- all children should be supervised by a responsible adult
- Children should not approach houses of people unknown to the family
- Families are advised to make agreements with each other of:
times and the types of treats provided

FROM THE OFFICE

Correction to last week's newsletter:

Please note that on the front page of our newsletter it noted that a child who is turning 5 before June 1st in 2020 can enrol for Prep. Please note that the correct date is April 30th.

Chicken Pox:

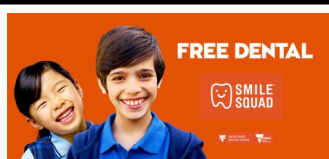

Please be aware that we have had two confirmed cases of Chickenpox within the school.

If your child appears unwell and has any symptoms, or if you are unsure, please contact your doctor in this regard.

Notices Due Back:

Today we have sent home permission slips to enable our students to get a bus to and from the final four weeks of our swimming program.

Could you please ensure that these are signed and returned to the school ASAP

Community News

Smile Squad is here! We have had a great response so far to the opportunity of **FREE** dental care for our students. The team

from Smile Squad are currently completing preliminary checks on students who have already returned consent forms.

The next part of the process is a dental vehicle which will arrive onsite, where any further treatments will be conducted. We have not been advised of when this will take place, but we anticipate it will be in the next few weeks.

If you have not yet returned your child's consent form, but would like your child to receive a check up, you still have time to return your form! If any forms are received after the first batch of initial consultations are completed, those check ups will be conducted in the dental vehicle, once it arrives.

Don't miss this opportunity for your child to receive a free check up!

**THURSDAY
IS
SCHOOL
BANKING
DAY**

Positive Learning Environment

At Cranbourne Primary School learning starts at 9am every day.

Missing even one day of school can make children fall behind in class. Even if it is the day before or after a school break, students are learning new things every day that will help them stay on track. It is important to also be on time each day so students don't miss important parts of class.

Attendance Percentages Fortnight ending: Friday 25th October				
	Foundation	Junior	Middle	Seniors
Total Attendance	90%	93.13%	89.20%	91.84%

**PLEASE CONTACT THE OFFICE AS SOON AS POSSIBLE TO
ARRANGE ENROLMENT.**

LIDS 4 KIDS

Collection Box in the hall near the deck.

Must be clean!!!

Lids 4 Kids has teamed up with the e—Nable community to provide bespoke aids for children. Using 3D printers and recyclable bottle lids, 3D printed hands and arms will be made for those children in need of an upper limb assistive device.

We are seeking support from our school community to contribute to this great foundation. If you have any plastic lids from your milk, water, juice or soft drink bottles
