## PRINCIPAL'S NEWS

**TRANSITION**—Students experience their first transition when they begin school. This process occurs in term 4 for our pre-school students who participate in school visits to meet staff and become familiar with the school setting.

Year 6 students participate in the state wide transition day, where they attend their selected secondary school for the day. This is scheduled for Tuesday, December 10th 2019.

To support all of our students and minimize possible worries they may have about moving classrooms and changing year levels, Mr. Clydesdale has worked with the staff to arrange our whole school transition sessions to synchronize with the statewide transition day.

**SWIMMING** - Thank you to all members of staff for supporting the weekly swimming sessions, which concludes next week.

**CONGRATULATIONS** to the senior staff and students, who did an amazing job today and this evening showcasing their work in the EXPO. Students displayed and presented their projects on countries from around the world during the afternoon to younger students then this evening to parents. Some students had food samples whilst others had translator facilities set up on the computers to listen to the language. Great job!

Thank you to all the parents who attended.

## Community News

We held our second Scholastic Book Fair last week. It was a great event for our school, with lots of purchases being made by parents and families and staff! We had a visit from the Cranky Bear, who visited Breakfast Club on Tuesday, 12th November.

The Book Fair raised \$649.50 worth of purchases for our school, to help update books in the library and resources to be used in the classroom. Thank you to everyone who attended the Book Fair—your support of our school is certainly appreciated.

But more importantly, your appreciation of books for your children is to be commended!

Winners of the raffle: Heath (FC) Lucian (JC)  
Irushi (MC) Rudenise (SC)

Congratulations to each of you!

Di Fernand

Assistant Principal
