**PRINCIPAL’S NEWS**

As the end of the year approaches, we are faced with many changes — our grade 6 students had their transition day yesterday in preparation to move onto secondary school. Students across the school are singing and rehearsing for the community concert being held this Thursday - we are looking forward to seeing everybody at 5.30pm on the oval.

We will be having quite a few staff changes next year. Mr Wormell has indicated he will not be returning next year. Mr Procter has enjoyed working at our school but has successfully secured a teaching position at a school much closer to his home. Miss Gadsby is taking some personal leave next year. Mrs Doolan will be having Long service leave in term 1. Miss Radford has also successfully gained a teaching position at another school and will be leaving us at the end of next week. As we are still interviewing new staff for next year, we have not finalized the teaching teams for 2016. These will be published as soon as they have been established.

Student reports

Teachers are busy finalising student reports, which will be sent home with children on Thursday 17th December. Your child’s report will indicate whether they are working at/above/below the expected level for this time of year, at their grade level. The report also contains written comments that indicate what your child has achieved in semester 2, as well as some areas that your child needs to work on in the future.

Please take the time to read the comments, as they give you a clear indication of what your child is able to do at this stage of their learning, and where they need to improve in the future.

When you receive your child’s report, you will notice that it appears slightly different to previous reports. There will be a cover letter with the report, explaining the changes.

If you have any queries regarding your child’s End of Year report, please speak to their Home Group teacher.

From the Office

The office will close at 3.30pm every Tuesday due to Staff Meeting.

Thank you to the families who have already paid for next years Essential Items and those who have made a payment plan. If you have outstanding fees you can pay by cash, EFT or directly into our bank acct:
