SCHOOL INSURANCE

REMINDER *– the Department of Education (which includes our school)* ***does not*** *have personal accident insurance for students.*

If a student is injured at school or while participating in a school activity (including offsite) and requires medical treatment, parents/carers are responsible for all their child's medical expenses. This includes transport costs such as ambulance costs (which may include an air ambulance if considered necessary)

REMINDER – *the Department (which includes our school)* ***does not*** *have personal property insurance for staff and/or students.*

Items of personal property that are lost, stolen or damaged at school or during school excursions are not the responsibility of [Example School] or the Department. Staff and students are reminded not to bring items of value to school or on school excursions.

Cranbourne Primary School encourages parents/carers to consider obtaining their own accident insurance for students and property of value that may be brought to school.
